

New York City Spring Trip April 2019

Information Sheet

Dear Music Parents and Students

Band students, Color Guard, Winter Percussion/Guard and Orchestra (henceforth, will be referred to as the band) will travel to New York City over Spring Break 2019! We are looking at the time frame of April 12-17th, dates will firm up once we confirm several activities.

The cost of the trip will be approximately \$730 and is based on 53 participants, however cost will change with more people going on the trip. The trip price includes motor coach transportation, tickets to several culture performances, **three (3) night hotel accommodations** (4 students/room) and (2 chaperones/room), chaperones at a ratio of 1:8, and 3 breakfasts and 3 dinners. Lunches and 1 dinner enroute to New York and home will be on your own.

We are now at the point where we want to start collecting a **deposit of \$100** for each student and each chaperone who intend to make the trip. The deposit will secure the hotel reservations. Please make your deposit check payable to Sanderson Band Boosters. Alternatively, if you have a surplus in your Fair Share account you may designate funds to be used from that account. The first deposit and this form will hold your spot on the trip. There will be another form to be completed at a later date, once we confirm the trip is "a go". We need to make sure we have a balance of instrumentation for the clinic.

The deadline for commitment is **AUGUST 1st 2018**, this will give our Freshman Families a little time to acclimate to the Band Program.

Also, should we not have enough interest in the New York trip and it is cancelled, the deposit money will be returned to your Fair Share accounts.

Again, once we have confirmed the band is going to New York more detailed information will be forth coming. Tentative payment schedule: second payment due October 1st, 2018 of \$250.00, third payment due December 1st, 2018 of \$250.00 and final payment due February 1st, 2019 of the remaining balance. All payments must be received by February 1, 2019.

These payments **MUST** be paid by the due dates and **ARE NOT REFUNDABLE**. This is a necessity as payments must be made to the travel company, which are also nonrefundable. **If a payment is not received by the due dates listed above, your child will forfeit their opportunity to participate in this trip.**

Note: We will not accept payments toward the Spring trip for band students unless their Fair Share account is PAID UP TO DATE.
