#### Parents

To find the band room: from the Sanderson's main entrance (first entrance off Dixon Dr. from Millbrook) turn left at the access road – the school buildings will be to your left, practice field to your right – as the road curves left, the building with the large garage door opening is the band room.

Band Booster representatives will be available in and around the band room to answer any questions you may have about the marching band program at Sanderson High School. Our website is always a good resource: [www.sandersonband.com](http://www.sandersonband.com)

If you are staying for the game, and the fun of watching your child play with the band, please park in the main campus parking lot and follow the access road - keep bearing left to a sidewalk that will lead you to the stadium parking lot. Entry to the game is \$7 a person. The band students will sit/perform on the far left side of the stadium and that is where the majority of the SHS band parents sit. Please join us! Concessions are available including Chick-fil-A sandwiches!
